DEVELOPMENT SECRETARIAT

Dated 2nd July 1946.

No. D. 100—I. & C. 443-45-25. The following Press Note of the Commerce Department, New Delhi, 13th March 1946, regarding Shipping opportunities for export to Far East is published for general information :—

PRESS NOTE.

Shipping opportunities for export to Far East.

"It is expected that shipping opportunities for commercial exports to the liberated Far Eastern territories may be available from the beginning of May. Exporters to these destinations are, therefore, informed that in regard to non-prohibited controlled commodities, they should submit applications for export to the Export Trade Controller at the port concerned with evidence of their previous shipments of the commodity applied for during the three years ending March 1942 in the case of cotton piece goods and three years ending March 1941 in the case of all other commodities, unless such evidence has been produced already.

As it will be necessary for steamship companies to know in advance the amount of cargo to be lifted to these destinations, exporters should book their consignments with the steamship companies immediately after receipt of export licenses. Licenses for export of quota restricted commodities will be granted generally on the same general plan as for other destinations, except that in the case of Far Eastern territories the triennium ending March 1941 or 1942, as the case may be, will be taken as the basic period. Manufacturers will also be considered for licences for export to these destinations according to existing instructions as for other destinations."
